Comments:

Why should you consider Arboria Noble Victor? Spice O'Life Present Tense, Arboria Victor's Pride, Arboria Top Gun, Arboria Perfection, Arboria Victorious, Arboria Invictis, and Arboria Cashmere are just a few good reasons. Think about his daughters who are proving to be invaluable as broodmares: Elegance in Motion, MSV Victoria and JW Miracle Miss. Study his pedigree and you will understand the reason for his success in the breeding shed. He was bred to be a breeding horse with not only a strong sire line, and his dam line is incomparable. Then consider the fact that he is 23 years old and if you don't act now it may be too late. A grand individual with Morgan type coupled with excellent conformation along with a strong pedigree to back it up, Arboria Noble Victor withstands the test of time. He could be your ticket for the journey down victory land.
