Comments:

Declaration has won or placed at Gladstone, Fair Hills, Sunshine State, Live Oak, Garden State, Elk Creek and Lord Sterling as he advanced through the levels of International CDE competition. In 2008, an injury forced him to take some time off, but he is now back in training with Tracey Morgan, World Cup CDE competitor, and seems better than ever. He will return to competition in the spring of 2009. "Sparky" consistently produces athletic foals of substantial size, passing on his sire's height, 15.3 hands, and extraordinary intelligence. Visit mosswoodsporthorses.com. for a complete listing of his get, more information and links to videos.
