Comments:

Second To None continues in the ways of his well-known sire, Tug Hill Celebrity, and dam, UVM Larissa, the beautiful black mare on the cover of the UVM Morgan Horse Farm's brochure. As expected, this impressive young stallion has expressive, intelligent eyes, a strikingly handsome face, great presence and athletic abilities. Competing in the tough California Western Pleasure classes, he was Reserve Champion Junior Western Pleasure at Morgan Medallion, having placed Reserve the previous year there as a three year old. He continues to place well in local and regional shows. He is passing on intelligence, his handsome face, great feet and legs and his wonderful balanced trot. Please consider him for your mares. You will be glad that you did! Call for references and videos.
