Comments:

GDT James Bond is a champion In Hand and under saddle. He carries on the heritage and bloodlines of WCs on both sides of his pedigree. A full brother to HRH Aladdin, James is one of the few breeding sons of HRH Legend Command and his dam is a proven producing daughter of Wham Bam Command. He brings temperament, talent, and type to the breeding equation. His talent is the result of generations of carefully-bred athletes. Strikingly beautiful and carrying modern Morgan type, he improves his mares with every foal through size, short back, sloping shoulders. James will bring a "legend" to your breeding program.
