Comments:

Irish Entertainment is a two-time Reserve World Champion Stallion, 1991 and 1989. He has many other championships at the national and regional levels as an In-Hand Stallion and as a Park horse, both under saddle and in harness. His sire was also a many-time Park Harness, Park Saddle and In-Hand Stallion Champion. His dam is perhaps even more accomplished with championship wins including WC Mare as well as Park Harness and Park Saddle. Irish Entertainment is siring athletic and versatile get that have won World and Regional Championships in Park Saddle, Park Harness, Futurity, In Hand, Pleasure Driving, Hunter Pleasure, etc. He perpetuates Doris Ryan's Brunk Family breeding program, building on a foundation laid by the Brunk stallions -- producing excellent Morgans, now, mostly in black. His semen ships well with excellent motility.
