Comments:

This black stallion has the size and presence that you would expect from his incredible ancestry. He is a son of the famed Stonecroft Masquerade, the sire of Stonecroft Byzantine, Stonecroft Trilogy, and a host of other top show horses. His mother is a beautiful daughter of World Champion HVK Bell Flaire. She is very graceful with a smooth neck and beautiful head. His granddam is a daughter of the immortal Waseeka's Nocturne. Masque N Black has the size, stretch and hinge in his neck that is so sought after in the show ring today.
