Comments:

Middlemist Midnight Magic has made a name for himself and created a following since he started competing in the carriage arena in 2007. It is his size, elegant classic beauty and athletic, correct gaits that have made him such a standout and earned him the many blues and championships he has acquired in only two seasons of showing. Look no further! Many times champion. 15.2 hands dark mahogany bay. Athletic. Handsome with Morgan type. Kind and honest disposition.
