### Comments:

*At 20, this stallion exudes Morgan type! He exhibits all the characteristics that identify a Morgan. His pedigree has illustrious Morgans in the first and second generations: Mad River Sailor, the great In-Hand and Park stallion, sire of WC Saddleback Supreme, and Austin Flying Cloud. His dam is an own daughter of Waseeka's In Command out of Ru-Lee's Fair Lass, dam of Century L'Esprit and Turn of the Century by Century Free Spirit and Wham Bam Command, respectively. This stallion's pedigree, genotype and phenotype scream Morgan! The Tropic Festival Partnership is expecting a 2009 foal crop by Sail On Command out of mares by Applevale Boy King, Immortal Command and Carlyle Command. The 2010 Foal crop will include foals out of mares by Serendipity Brazos B, Heyday Independence, Philharmonic and Carlyle Command. If you are looking for "good old blood," a classic Morgan look and a fabulous disposition, Sail On Command is the horse for you! Come, Sail with the flagship of the Tropic Festival Partnership.*
