Comments:

The only Flaire stallion out of Grand National and World Champion UVM Christine, Summitry offers grand breed type and his dam's phenomenal trot, beauty and presence. UVM Christine dominates in Summitry, assuring that the mare voted 1998 People's Choice 4 Year Old Mare will pass her qualities to his foals. Endless options exist among mares from the popular Waseeka bloodlines, including mares from the Wham Bam Command, Noble Command, Immortal Command and In Command families. Equally intriguing candidates include stallions carrying UVM blood and from Black River families such as Centerpiece and Serenity Masterpiece. Mares with Lost River Sanfield in the third and fourth generation are well worth trying, such as the Bell Flaire and Nobility lines. Nocturne-free mares carrying Flash, Rena and Norma offer great potential.
