If you are looking for big, sound, athletic black Morgans with excellent dispositions, intelligence and tractability, visit Acorn Ridge Morgans near Bloomfield, IA and talk to owner-breeder Mark Yoder. He has been raising Morgans suitable for a variety of disciplines for more than ten years.

The 2005 Acorn Ridge stallion line up includes:

The black, 15.3-hand HVK Dragon Beat (And The Beat Goes On x HVK Special Delivery by Noble Flaire). He is jointly owned with Amos and Freeman Yoder. Acorn Ridge thanks Kohler Stables for selling them such an outstanding young stallion.

The homozygous black, 15.1-hand JMF Johnny Who (Windhover Regency x Princess Bethany by Shine Time).

The black, 15-hand Equinox Eclipse (Equinox Benn Adam x Equinox Etude by Courageous of Equinox). He is owned jointly with David Kaufman.

Also offered for 2005 is the home-bred Courage of Acorn Ridge (Devonwood Eternity x SWMR Just Cruisin). His crosses to Forevermore, Van Lu Starbuck, Waseeka's In Command and Windhover Regency make him an exciting individual.

The black broodmare band consists of mares by Tug Hill Whamunion, Black Tuxedo Required, HRH Image Command, Irish Entertainment, Equinox Eclipse, Equinox Black Tuxedo, Whispering High Beam and JMF Johnny Who.

Feeling the need to increase the broodmare band, Acorn Ridge acquired new mares in 2004: GJS Retro (Tug Hill Whamunion x Quail Run Fantasia) Wham Bam Lights Out (Tug Hill Whamunion x HyLee's Lafenice), Ensbrook Sophia (HRH Image Command x HVM Le Jazz Hot), plus Hartland Valeda (Van Lu Starbuck x Highmeadows Victoria).

Keeping with the farm's interest in expanding bloodlines and creating interest, Acorn Ridge also expects foals this year by outside stallions such as Channel High Orian, Devonwood Eternity and Caduceus Renaissance.

Many of the 2005 foals will be for sale. Trained horses are usually available.

Acorn Ridge isn't limited to just breeding Morgans! Mark also raises the pet curly, non-shedding Golden Retriever/Standard Poodle cross known as "Golden Doodles."
