

San Juan Whirlwind: a golden pedigree from 'then to now'

If you look at San Juan Whirlwind's pedigree (Chief of Greystone x Another Anita), you will see that he is bred to breed – because of the success of his ancestors.

"Blood rises to the top," says Hillside Saddlebred farm and stallion manager Frank Gray. "Research proves that good families continue to produce good

horses. Time and time again the blood will tell. And there are few horses today bred like this horse.

"One look at San Juan Whirlwind's pedigree and you'll know he was bred to rack and win."

His great-great-grandfather, two-time 5-Gaited WGC Edna May's King is the sire of Anacacho Shamrock, sire of two WGCs, 10 WCs and including six-time 5-Gaited WGC Wing Commander who was sire of three WGCs and 22 WCs.

The Wing Commander-Broodmare Hall of Fame Carol Trigg cross produced four WCs including Empress Wing, dam of four-time 5-Gaited WGC Imperator and WC Longview's Paladin, sire of WGC Protege; and Wing Shot, sire of WGC Cameo's Angel Wings.

San Juan Whirlwind's sire, 5-Gaited WC Chief of Greystone, also sired WC CH Dow Jones, WC CH Sabur's

Stiletto, WC and WC sire Attache, and Our Highland Heather, dam of WGC CH Our Golden Duchess.

San Juan Whirlwind's dam, Another Anita, is by Wing's Fleet Admiral, who is sire of two WCs, five WC Sires, and 11 WC-producing daughters. Another

Anita is also dam of WC and WC-producer Gamin and WC producer The Hooker.

His second dam, Dawn Serenade, produced WC Beacon Hill. His third dam, Rossmoor's Rhapsody, produced WC and WC-producer Guy's Gal.

With a dominately five-gaited-producing pedigree, San Juan Whirlwind will make his own list of World's Champions.
