As the only full service Saddlebred facility in Northeast Wisconsin, Lance Hayes Stables has everything to offer. Whether it's breeding, training, showing, sales, or riding instruction, Lance Hayes Stables always provides its customers with expertise and quality care as well as our down-to-earth family atmosphere that makes doing business with us a pleasure.

Now standing at Lance Hayes Stables is the incredibly-bred stud The Cheetah. He has remarkable horses in his pedigree: his dam is the three-time World's Champion CH Princess Blanchita by Wing's Fleet Admiral, and his sire is the great Supreme Sultan. His second dam, Oman's Blanchita Blossom, is by the Legendary Anacacho Denmark. Such an outstanding pedigree can't be obtained just anywhere these days!

Also standing at Lance Hayes Stables is Santana's Tropical Heat Wave, a full brother to WGC S.S. Genuine, who is by Sultan's Santana, sire of numerous World's Champions. He is out of the grand mare, My Summer Bouquet. He is destined to be a top sire in the near future.

The last three years have proven the success of our breeding program with wins and reserves in one of the most prestigious futurities in the United States. LHS-bred stock has taken the Limited Breeder's class in Wisconsin by storm: 2001 Champion Lotta Hotta (Supreme Heir x Pure Fantasy RR), 2002 Champion Delay Of Game T.S. (Santana's Tropical Heat Wave x Lady Mandalay), and 2003 Reserve Champion Johnny Cougar (The Cheetah x Carmel Parfait).

Lance Hayes Stable has had another prosperous year earning top ribbons throughout the Midwest with our quality string of show horses. Not to mention our new and upcoming academy riders. Under the direction of Sarah Lucht, they are a part of our lesson program and have also had an excellent season.

Here at Lance Hayes Stables it's definitely about quality horses, but it's also about the great people!
