 Stock for sale

Nominations:

Regional futurities as requested

Chance is truly a spectacular stallion with conformation, gentle nature, sensible disposition and an outstanding, head-nodding, loose running walk. He has talent and a willing attitude. Chance will sire 100% palomino foals from chestnut mares and can sire both buckskin and palomino foals from black or bay mares. His three breeding seasons have been a great success, with his foals as proof. His sons and daughters are destined for show, pleasure, versatility and breeding. They can do it all. If you want quality foals plus the bonus of color, Chance is your dream come true!
