 RH fetlock, white mane and tail
 Stud fee: \$400 LFG
 Semen transport
 Mare care
 Mares & foals for sale

Awaken your breeding program to the dawning of a new age in riding comfort! Introducing a top Rocky Mountain Horse for your inspection. He has a long neck, great back and legs, and is stunningly gorgeous. Destiny is very laid back, docile and lets anyone ride him. He is one of the industry's best RMH studs and the only one in TN. His sire is the famous Storm Warning, the number one producing RMH who has produced more world champions than any other sire. If Destiny is bred to a TWH mare, the resulting foal can be registered as a Kentucky Mountain Horse and an American Mountain Gaited Horse. If a SSH mare is bred to Destiny, the foal can be registered as a SSH and as a Spotted Mountain Horse. Destiny is not a matter of chance, it is a matter of choice. Choose wisely!
