Generator's Iniate offers some of the most sought-after, world-class breeding in today's walking horse industry. Double registered, TWHBEA and RHBA, he is a direct son of the illustrious, many-times WC Prides Generator. His dam is of royal lineage, too. He is a very talented, stylish stallion with a natural smooth gait that commands attention in the show ring as well as on the trail. He is gentle, quiet, good natured, sensible, and versatile, and has been a consistent competitor and winner in English, Western, and Model classes. With impeccable pedigree, beauty and conformation, Generator's Iniate passes on his great heart and superior quality to his foals. For five years he has been National Trophy winner and served as flag horse in the Northern Colorado Parade.
