RWC I'm Dark Vengeance is rapidly proving himself as a sire with 35% of his offspring 2 years old & over in the show ring (as of August 2007). This includes WGC Bold Vengeance, with top contenders in both performance and pleasure divisions. His full brother is the late Black Vengeance, who was Aged Stallion WC, Amateur Four-Year-Old RWC and Amateur Three-Year-Old WGC. His 3/4 brother is WGC Out On Parole. His ability to produce winners is also enhanced on the dam side with his 1st and 2nd dam producing other show horses and his 3rd dam producing Ebony's Hacksaw, who is a WC and sire of WCs. I'm Dark Vengeance has an impressive pedigree, great disposition, size, talent and an affordable fee. If your breeding program is "in the red", let us help you darken it to "black" with foals by I'm Dark Vengeance!
