***This flashy son of the popular The Skywatch and Pushers Painted Lady is definitely worth a closer look! Bought for a top fee as a three year old, this talented and athletic competitor did well in three, four and five-year-old competition. When a severe bout of colic nearly ended his life, Jet Stream's show ring career was cut tragically short. With much anticipation, he will now embark on his breeding career. For a colt with show ring charisma, natural athletic ability, classic style, flashy color and a blue blooded pedigree, breed to Jet Stream!***
