Over a hundred years ago, in the middle basin of Tennessee, a unique breed was created: The Tennessee Walking Horse. The founders of the breed envisioned a versatile, naturally gaited, kindly-mannered, beautiful horse. Aztlan Farms and Dawson Stables are pleased to offer this magnificent, natural and lite-shod stallion. Carrying the foundation lineage of the breed, his bloodlines include Prides Generator, Midnight Sun, Ebony Senator, Ebony Masterpiece, Sun's Delight D., Triple Threat, Midnight Mack K and Rodgers' Perfection. Now standing for 2008 at Dawson Stables in Southern Kentucky.
