by NC State Veterinary Equine Research
Center
Mare care

Nominations:

Upon request

If you are looking for an exceptional stallion who is well mannered and sure footed enough for a peaceful, afternoon trail ride, yet animated and flashy enough to take the blue in a competition class, look no further than Powder River. Among his most impressive wins are 2003 NC High Point Park Performance Horse of the Year, 2002 SSHBEA WC Open Driving, 2001 TWH RWC Open Park Pleasure, 2000 TWH RWC Four-Year-Old Plantation Pleasure, 2000 Los Angeles County Fair Plantation Champion, and 2000 Western State Plantation Champion. Those involved with him through the years will attest that he's always a gentleman and a pleasure with which to work! His foals are sure to have his natural ability, pleasant disposition and flashy color scheme!
