Score's Dakota, better known as "Rocket" is the absolute nicest stallion you're going to meet. He is calm, unconcerned about the other horses around him, likes to move forward down the trail and holds his gait very nicely at speed. Rocket has the ultimate conformation for distance competition, is extremely intelligent and is so sweet and mild - everyone at the barn is in love with him. His trainer is excited about starting his conditioning to work distance this fall. He's working endurance. As of Sept 28, 2007, he's completed three rides for at total of 100 miles with excellent scores and attitude. He's got a nice smooth gait and relaxed way of going, no concerns at all. Go to web site above to look at his photo album and see this very natural way of going under saddle. He was recently inspected for SSHBEA and the inspector loved his gait. He is also a proven stallion, producing look alike colts. The face says it and the pedigree confirms it! He is all that — and more!
