 Blood factors: A>a Q>-/-; EVA negative

Nominations:

TWHBEA National Futurity, others as requested

Named after legendary golfer, SEVE Ballesteros, this stallion continues to drive down the course of becoming a legendary sire. World status offspring already include multi WGC P.G.A. in the performance division and multi WC Miss Annika in halter competition. Seve consistently produces birdies and eagles at every course and a few of his winning shots include Caddieshack, Birdie To Win, Mr. Houston, Seve Country, Steve Nash, Santander, All In The Game, Public Enemy Number One, Maxfli, A Hole In One, Tee Time, Ballesteros, Arnie, and Par For The Course. Seve's beauty and talent that added to his thrilling performances in stake class competition is evident in his offspring that are ranking high on the leader board in many states. In addition to being sired by the late, great Prides Generator, his 2nd dam also produced multi WC Gen's Sundance Lady. His great strokes are backed up by his impressive pedigree. Don't let your breeding program hit a water hazard or land in a sand trap - get it "up to par" with a Seve foal!
