It's been said that Night Shade became a World Champion because he was bred to be one and a quick glance at his pedigree confirms just that! His success in the show ring started in 2000 as a two year old and continued right on through 2004, when he went undefeated and was crowned the TWH WGC! He has been a true goodwill ambassador his entire life, displaying the wonderful temperament for which the breed is known. There's little question that Night Shade will make a tremendous sire, passing along his disposition and high-stepping gait to his foals.
